Natural beauty is a burgeoning movement, with many of us switching from single-use make-up wipes to reusable flannels, and selecting skincare with less man-made ingredients. Now, deodorant is getting a natural makeover, with **Justin Bieber** announcing a **collaboration** with personal care brand Schmidt's for a cruelty-free, vegan, plant-based deodorant called Here + Now.

Dr Hauschka

Dr Hauschka's creamy Rose Deodorant conditions underarm skin as well as neutralising odour, with rose and jojoba oils to hydrate and soothe and alchemilla essence to help regulate perspiration.

Dr Hauschka Rose Deodorant, £12.25. Available at Dr.hauschka.com
